Previous minutes 20/12/05 agreed. Updates provided from these minutes as follows:

1. Increasing the number of Watches on the Leys Estate. The Village SN team have contacted their existing Watches and continue to look for new Watch members, including the Leys Estate. With the introduction of all 17 SN teams by 03/04/06 it is anticipated that many new Watches will evolve.

Action: Steve Manger to make enquires and ensure the links are in place.

Action: Stickers to be brought to AGM and also divided up between Police / Council / NHW co-ordinators.
5. Update NHW street signs. 350 provided by Council funding. Have been problems in the first signs put up. Signs are very ' eye catching ' and were pulled down and vandalised.

It was agreed to continue the payments from NHW funds on the broadband accounts for the 4 computers.

Action: Steve Coombes to establish where the bills are sent.

Rita Coombes also expressed her concern that none of the equipment is included on an Assets Register. Part of the problem is that there is no postal address.

It was agreed that the postal address for NHW should be

' For the Attn Suzanne Honeyman'

Roycraft House, Barking Essex.

It was also agreed that Committee members would meet at Marks Gate to re organise office and set aside Assets Register.
